This e-learning activity is a form of **self-study using enduring materials** (e-learning modules) as defined by the **Maintenance of Proficiency (Mainpro+®) Program of the College of Family Physicians of Canada (CFPC)**. Self-study using e-learning modules is included under the Non-Certified Self-Learning credit category. Any non-certified activity is generally eligible for one non-certified credit per hour.

This e-learning activity is a form of **self-study using enduring materials** (e-learning modules) as defined by the **Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada**. Self-study using e-learning modules is included as an example of a Section 2 activity. Reviewing enduring materials is generally valued at 0.5 credit

per topic. However, additional research/self-study using the e-learning can also be submitted as Personal Learning Projects (PLPs) where you will earn two (2) credits per hour.
